

QUALITY POLICY

Greenstar Group is a commercial HVAC (Greenstar Mechanical) and commercial electrical (Greenstar Electrical) business providing service, maintenance, compliance and project work to commercial clients.

Greenstar Group is dedicated to understanding our customer's needs and delivering a quality service that meets their expectations and contract specifications.

Greenstar Group is committed to the Company Quality Policy. Our strategic direction is to continue growing the business whilst maintaining high standards and quality services.

Maintaining ongoing customers, contracts, and quantity of work, plus the continual growth for new sites and opportunities. Greenstar Group will always comply with relevant legislative requirements and industry codes.

The Company embraces best practice to ensure a quality service while operating in a safe workplace with minimal impact on the environment. Specific company objectives and targets are planned and regularly reviewed.

Management is dedicated to the philosophy of continual improvement. To support this philosophy Greenstar Group has developed and implemented a HSEQ Management Manual addressing workplace safety environmental and quality issues.

The HSEQ Management Manual is embraced by management and employees alike. Induction training of new employees ensures they are trained in the System as they join the Company. All employees are responsible for the quality of their own work but are supported by Supervisors and documented procedures, where required.

Management fully endorses this Quality Policy and the HSEQ Management Manual that has been implemented.

Manager Sign:

A handwritten signature in blue ink, appearing to read "B Smith", written over a horizontal line.
