# Ozone Protection and Synthetic Greenhouse Gas Management Regulations 1995

## Regulation 141

### Conditions on authorisations – for a Refrigerant Trading Authorisation

- (1) Subject to subregulations (1A) and (1B), an authorisation granted under this Subdivision is subject to the conditions that the holder:
- (a) keeps up-to-date records showing the amounts, if any, of refrigerant bought, recovered, sold and otherwise disposed of during each quarter; and
  - (b) 14 days or less after receiving a request in writing by the relevant authority, sends to the authority copies of the records mentioned in paragraph (a); and
  - (c) ensures that each item of the holder's equipment that is necessary to prevent avoidable emissions of refrigerant is operating correctly; and
  - (d) has, and maintains, equipment that is adequate for the holder's activities, including 1 or more of each of the following:
    - (i) leak detectors;
    - (ii) vacuum pumps;
    - (iii) recovery units; and
  - (e) at least every quarter, checks any refrigerant container in the holder's possession for leaks; and
  - (f) puts into effect a risk management plan relating to the handling and storage of refrigerant in the holder's business; and
  - (g) ensures that any refrigerant in the holder's possession is handled in accordance with each applicable standard set out in Table 135; and
- (i) for a refrigerant trading authorisation – ensures that any refrigerant in the holder's possession is handled only by:
    - (i) the holder of an appropriate licence granted under regulation 131, 133 or 134; or
    - (ii) if the refrigerant is handled on board an AMSA vessel – the holder of an AMSA certificate or the holder of an appropriate licence granted under regulation 131, 133 or 134.
  - (j) ensures that destruction of any refrigerant is carried out only by the operator of a refrigerant destruction facility; and
  - (k) uses only refillable containers for storage of refrigerant; and
  - (m) keeps records for each quarter that set out the following:
    - (i) details of any checks, any maintenance and any other action undertaken for paragraphs (c), (d) and (e);
    - (ii) for each licensee who handles refrigerant that is in the possession of the holder – the licensee's name and the number allocated to the licensee's licence by the relevant authority;
    - (iii) the dates on which cylinders for the storage and transport of compressed gases were tested for paragraph (g); and
  - (n) if requested by written notice from the relevant authority, sends to the authority, no more than 14 days after receiving the request, a copy of a report that contains the records for the previous quarter; and
  - (o) for a refrigerant trading authorisation or a restricted refrigerant trading authorisation – includes the number allocated to the authorisation by the relevant authority on:
    - (i) any advertising placed after 1 July 2009 for services the provision of which would not be permitted without the authorisation; and
    - (ii) any invoices, receipts and quotes for work carried out under the authorisation.

*Regulations (1)(h) and (1)(l) have been omitted for clarity*

*Note: A number of terms included in these Regulations are defined in the Act, including quarter.*

- (2) It is also a condition of a refrigerant trading authorisation that the holder accepts any surrendered refrigerant or scheduled substance that appears to be intended for use in RAC equipment.
